OVER HUNDRED ATTEND DANCE AT DEEP COVE

By Review Representative

The Deep Cove Social Club Hall was the scene of a very successful dance on Friday evening when the members entertained their friends in honor of Saint Patrick.

The hall presented a very attractive appearance, with its fluttering streamers of blue and gold, the club colors, and huge bouquets of daffodils and violets.

Schofield's four-piece orchestra, which has proved so popular during the past season, was again in evidence with an entirely new and up-to-the-minute program of dance numbers whose popularity won them repeated encores. The supper extras were very kindly played by Mr. Fred Pitt of Victoria.

The hall was well filled with over 100 guests, large parties coming from Victoria and Saanichton, all of whom entered into the spirit of the occasion with never failing zest. Dancing was enthusiastically continued until 1.30, and declared unanimously to have been a great success.

At midnight dainty refreshments were served in the dining-room under the convenship of Mrs. A. Calvert, who was assisted by Mrs. Mears. The tables had been prettily decorated in green and white, in keeping with the festive season, and with bouquets of daffodils and violets. Gay paper hats of green and white in every conceivable shape, bearing the Shamrock emblem, were presented to the guests as favors and added a dash of color to the scene.

The after supper festivities were enhanced with the introduction of the novelty dances which were so well received. The prizes for the elimination waltz went eventually to Miss Irene Frost and Mr. Donald McDonald, and the mystery of the lucky spot was solved by Mr. and Mrs. Malcolm who received handsome prizes. The prizes for the Shamrock fox trot went to Mr. Charlie McGridge.

The host of tombola prizes caused a flurry of excitement and were presented to the holders of lucky tickets by Miss May Copithorne.

The dance was, in many ways, one of the most successful of the season's social events, and great credit is due the dance committee who worked so hard for its success.

LADIES' AID HELD MEETING

The regular monthly meeting of the Ladies' Aid of the United Church was held on Wednesday afternoon of last week at the home of Mrs. J. T. Taylor. The president, Mrs. J. F. Simister, occupied the chair and opened the meeting, at which there was a very large attendance. A great deal of correspondence was received, among which was an invitation from the South Saanich United Church for the members to attend the sale of work, tea and entertainment to be held on Monday and several members offered to supply cars for any wishing to attend. The Ladies' Aid has decided to buy the lumber for the building of a new kitchen on Wesley Hall, work to commence next month, if suitable arrangements are made. The remainder of the afternoon was devoted to plans and arrangements for the annual flower to be held in Wesley Hall on Wednesday, April 4. Tea was then served by the hostess, Mrs. Taylor, assisted by Miss Houldsworth.

Are You On The List?

The annual Court of Revision for the voters' list will be held on Monday, May 21, at the Court House, Sidney, and all new applications to be placed on the revised list must be received by the registrar of voters not later than April 7th. For the purpose of assisting new residents to get their names on the list election commissioners have been appointed throughout the district and your storekeeper is probably one of them. The registrar of voters for The Islands Electoral District is William Whiting of Sixth Street, Sidney, phone 441, and if you are not registered get in touch with him and he will advise you.

LET'S ALL HELP IN THIS GOOD CAUSE

The trustees of the Sidney and North Saanich War Memorial Park are putting on a campaign to raise \$3,000 to complete the work of the war memorial this year. After the close of the Great War the citizens of North Saanich decided to purchase five acres of land on Beacon Avenue for the war memorial park.

In 1922 a society was formed under the "Friendly Societies Act" for the care and management of the park. Seven trustees are elected annually in July. The grounds have been fenced, under-drained, cultivated and seeded.

Last year, in order to secure a better soil condition for re-seeding, it was decided to plow and regrade the whole of the grounds, and this has been done. The trustees feel that the time has now come, ten years after the war, when a determined effort should be made to complete the work. The program proposed is to complete the seeding, plant shade trees, build a pavilion with a grandstand and build an entrance of native granite and iron rails and place a memorial tablet. When finished, these grounds will be available for North Saanich for the playing of games, tennis, lacrosse, baseball, cricket, football and bowls, and will be one of the best athletic grounds on Vancouver Island.

One of the important by-laws of the park society is that the grounds cannot be sold nor can they be mortgaged. They are the property of the citizens for all time.

All societies and organizations, as well as business firms, are being asked to assist the memorial scheme.

P.-T. MEETING INTERESTING

The regular monthly meeting of the Parent-Teacher Association was held in the school on Tuesday evening with the president, Mrs. Gilman, in the chair. After the reading of the minutes which were adopted, the business part of the meeting was taken up chiefly with final arrangements for the card party to be held at the home of Mrs. Mounce tonight. The deputation appointed at last meeting to interview various organizations in Sidney to solicit their support on June 2nd, Children's Day, gave a very favorable report. Other details in connection with this event were discussed and approved of after which the business part of the meeting was brought to a close.

Miss Margaret Cochran attended the meeting and explained to those present the "Melody Way" of teaching music. Much interest was shown and a number of questions were asked and answered. A pleasant feature of the evening was the duet solos given by Mr. McIntosh, who kindly responded to encores. The meeting closed in the usual manner.

Lecture on Birds

Under the auspices of the Parent-Teacher Association a very interesting lecture on "Birds" was given in Wesley Hall by Mr. L. E. Taylor on Wednesday evening of last week. The hall was filled with children and friends who listened with great enthusiasm to a subject so interesting to young and all. The lecture was illustrated with charts. Mr. J. J. White acted as chairman. At the conclusion of the meeting Mrs. Gilman, president of the Parent-Teacher Association, moved a hearty vote of thanks to Mr. Taylor.

Pender Residents Hear Interesting Lectures

By Review Representative

PENDER ISLAND, Mar. 22.—Two very interesting and instructive meetings were held under the auspices of the Farmers' Institute. The first was held in Hope Bay Hall, the speakers being Prof. E. M. Straight of Sidney, who chose "Foreign Crops" as his subject, and Mr. Shepherd, of Vancouver, who gave an illustrated talk on "Bees." The following night the second meeting was held in Port Wesley Hall, Mr. Shepherd repeating the illustrated lecture on "Bees" and Prof. Straight giving a most interesting talk on "Ducks." Both meetings were well attended and the speakers much appreciated.

FLOWER SHOW PREPARATIONS

VICTORIA, March 22.—With entries coming in steadily the second annual Spring Flower Show of the Vancouver Island Horticultural Association gives promise of being an outstanding success. The secretary, Mr. P. R. Leighton, of 521 Fort St., is confident that this year's show will be one of the best held in Victoria for some years.

Their Excellencies Lord and Lady Willingdon have accepted the invitation to officially open the show, which will be held under the patronage of Lady Willingdon, who so graciously opened last year's exhibition.

Thirteen trophies, eight challenge cups and \$500 in prizes have been put up for competition by the committee in charge. There are 165 classes in which to enter so that any one interested in horticulture need not be left out of the show.

One section which is creating considerable interest is the group display. Organizations at Alberni, Nanaimo, Comox, Cowichan, Duncan, Sidney and several of the Greater Victoria organizations have promised large displays for this class.

A new feature of the exhibition will be the novice class, which has been added to provide an opportunity for the real amateur gardener. This section has been so arranged that those who would not wish to enter into open competition with expert horticulturists may put exhibits in the show.

In arranging the dates for the exhibition the committee in charge chose April 27 and 28 so as to secure as predominant a display of all varieties of tulips as possible and at the same time take in a large number of the late variety daffodils as well as the many other spring flowers.

Sidney Social Club

The regular meeting of the Sidney Social Club was held on Wednesday evening of last week at Shore Acres. There was a good attendance of members and several visiting from the North Saanich Social Club. A pleasant evening was spent at military 500, which was played at six tables, first prizes being presented Mr. and Mrs. T. Lidgate, Mr. Toomer and Mr. B. Readings. Second prizes, bouquets of violets, presented by Mr. N. Fralick, were won by Mrs. Critchley, Mrs. Prat, Mr. Harvey and Mr. D. Braithwaite. The high bid prize was awarded to Mr. S. McDonald.

After the cards the party adjourned to the dining-room where refreshments were served, a handsome two-tier wedding cake occupying the place of honor, the occasion being the 20th anniversary of the weddings of Mr. and Mrs. Lidgate, and Mr. and Mrs. R. N. MacAulay. Mr. S. McDonald, on behalf of the members of the Sidney Social Club, extended congratulations to Mrs. Lidgate and Mrs. MacAulay. Mr. N. Fralick proposed the toast to Messrs. MacAulay and Lidgate, to which they suitably responded.

SIDNEY LOCALS AND PERSONALS

A general meeting of the North Saanich Horticultural Society will be held in Wesley Hall on March 28th at 8 p.m. prompt. It is hoped all those interested will make a special effort to be present.

Miss Margaret Cochran is enrolling pupils today at the Sidney Trading Co. store for the "Melody Way" of teaching music. Enrollment will take place between the hours of 4 and 6 o'clock. If for any reason you are prevented from getting down to enroll your child Miss Cochran would like you to please phone 38 Sidney, not later than 4 o'clock, or at the Sidney Trading Co. not later than 5 o'clock. Fees will be payable at time of enrollment.

A benefit concert under the auspices of the Sidney Board of Trade will be given next month, April 15th. Mr. and Mrs. J. T. Simister of Sidney, B.C., announce the engagement of their daughter (Grace) to Mr. J. E. Basher, of Cowichan Bay, B.C., formerly of Pender, England, the marriage to take place at St. Andrew's Church, Sidney, 2.30 p.m., April 9.

ENROL TODAY "MELODY WAY"

"The Melody Way is easy to play, At first you sing a song to please, And then you find it on the keys; The Melody Way is easy to play."

This little song expresses the whole philosophy of "The Melody Way" to play the piano. Instead of uninteresting studies, dreary finger exercises, and dry drills, on symbols, the children are first taught to play rhythmic games and to sing delightful little songs, simply arranged as piano pieces.

After the children have played a rhythmic game, they analyze the movements and are made familiar with the notes representing the rhythmic phrases in the piece. Just as soon as they can sing the first little song, with words and with do re mi syllables, they are shown how to find the melody, a phrase at a time, on the keyboard with the help of the Misses Key Finder. The syllables are used because they express the language of music as the children learn it in the public schools. The Melody Way takes advantage of the experience of the children and helps them to apply it in playing the piano.

When the children can play a melody with the right hand, they are shown how to play the chords with left hand by using the Key Finder. They learn the names of the keys, the corresponding notes, and the harmonic names of the chords, after they have played them in a piece with words that catch and hold their interest. In this way, they correlate the familiar syllables with the piano keys, the letter names, and the notes of both clefs, learning all together at once.

Children love to play the Melody Way because it is truly play to them. They can actually play a pleasing tune at the first lesson and this is followed by more melodies. By the third lesson they can play the accompanying left hand chords and they are well on their way to playing the piano. They learn rapidly because their interest is aroused and kept alive from the very start by means of melodies and teaching methods that appeal to them.

Parents! Don't miss this wonderful opportunity for your child.

The Melody Way is easy to play. Opportunity for your child. You can enroll them today with Miss Margaret Cochran at the Sidney Trading Co. store.

GUILD MEETING

The regular monthly meeting of the Women's Guild of St. Andrew's Church was held on Wednesday of last week in the afternoon at the home of the president, Mrs. J. J. White. There was a good attendance of members. Routine business was attended to, after which the very successful sale of plants and flowers, which was held on Tuesday afternoon at the store of the Sidney Trading Company, was reported upon and the proceeds from the afternoon found to amount to over \$80.

Reception 3 to 5 at "Seedley," Third Street, Sidney.

The regular meeting of the Evening branch of the W.A. of St. Andrew's and Holy Trinity will be held on Monday evening at the home of Mrs. Philip E. Brethour, Oakland Avenue.

The regular monthly meeting of the I.O.D.E. will be held in Matthews' Hall, Sidney, on Thursday, March 29, at 2.30, followed at 3.30 by an "at home," open to all, at which Mrs. Cooke, provincial educational secretary, will speak. There will also be a musical program and tea will be served.

From what we can learn of the picture that will be shown at the Auditorium Theatre, Sidney, tonight and Friday night—"Back to God's Country," featuring Renee Aderode, it will pay all movie fans to be on hand and see something of high class acting.

Sidney has light, water and power for industrial purposes, with industrial sites at almost a gift. Inquire.

BIG TIME ENJOYED AT ST. PAT. DANCE

St. Patrick's was fittingly celebrated by the North Saanich Social Club with its annual dance. The truly irrepressible and lovable Irishman was early in evidence. "Paddy" Heaton and his orchestra had the greatest difficulty in making themselves heard above the singing of the revellers. The scene was just one wonderful splash of color, the hall being decorated most artistically. The majority of the Colleenes displayed their new frocks on this special occasion. It could be truly said that Ould Ireland was never in such merry mood as on this festive night.

Compliments of the most favorable character were heard on all sides as to the resiliency of the spring and cushioned dance floor, and the rendering by Paddy Heaton of the Emerald Isle.

A most fitting episode of the evening was the Irish Jig as danced by Miss Nancy Ferguson, teacher of Highland and ballet dancing.

The waltzing prizes were awarded as a result of very keen competition to Mrs. Spooner and Mr. L. Ricketts. The judges were Miss Mackenzie and Mr. W. Ibbotson of Saanichton, and Mrs. George Clark of Patricia Bay.

In the early hours of Wednesday morning a very happy and tired party wended their way home and everyone of the many guests from Victoria offered their personal congratulations to the club officials.

The committee in charge wish to express their appreciation for everyone's patronage as the profits from this dance are necessary for the children's sports program this season.

Weekly Social Evening

On Saturday evening at the North Saanich Social Club, School Cross Road, a very pleasant evening was spent by members and friends in playing progressive 50, it being the regular weekly social evening of cards and dancing. The first part of the evening was spent at cards with 11 tables in play. Prizes were presented to Mrs. H. L. Ricketts and Mr. Foxall. At the conclusion of the cards refreshments were served after which a couple of hours were spent in dancing, the music being supplied by Miss Florence Hambley and Mr. Boshor.

CARD SOCIAL FOR P.-T. A. TONIGHT

The Parent-Teacher Association will hold a card party at the home of Mrs. Mounce, tonight (Thursday). Progressive bridge and 500 will be played, for which good prizes are being offered. Players are asked to bring their own cards and score pads. Refreshments will be served and a social time enjoyed.

Arrangements are made to accommodate as many as 20 tables in Mrs. Mounce's home, which she has so kindly loaned for the occasion and the association hope for a good turnout of members and all those interested in the welfare of the association. Proceeds will be used for the fund for furnishing a room in the school.

ISLANDERS HEAR CONSERVATIVES

A well-attended and enthusiastic social evening was held at Port Washington Hall on Friday, the 16th inst., by the Pender Island Conservative Association.

Speeches were made by J. H. Hinchcliffe, M.P.P., and Col. Peck, V.C., M.P.P., upon the work in the Legislature during the last session.

Refreshments and dancing followed the speech-making and a very enjoyable evening closed about midnight.

Mr. Spencer Percival was in the chair and a hearty vote of thanks was moved by Mr. J. S. Stirling.

BANK ISSUES A FINE BOOK FOR GARDENERS

A booklet on gardening written especially from the farmer's point of view, and dealing with the conditions to be found all over Canada, is now being distributed by the local branch of the Bank of Montreal to everybody interested.

Like the previous booklets on farming subjects issued by the bank, the booklet covers every phase of the subject in simple language, and yet gives the methods and results proved by scientific experiment and research to be the most profitable. The value of the instruction given is immensely enhanced by reproductions of close upon 15 photographs and diagrams.

Every farm, it is stated in the introduction, ought to have at least one acre of the very best soil on the place devoted to growing the home supply of fruits and vegetables. The farm garden should not be crowded into a tucked-up patch near the house, but should be planted in long straight rows far enough apart to cultivate with a team and field cultivator. "Then every time you hitch up a team to cultivate the grain or the potatoes, go through the garden; give it a good cultivation. It will take only a few minutes and mother won't have to break her back pulling weeds, and the boys won't have to stay home on Saturday afternoon and hoe when they ought to go fishing."

The directions in the book have to do with the laying out of the garden, the proper preparation of the soil, the choice of various varieties of vegetables to suit conditions of soil and climate, the selection and testing of seeds, the raising of young plants in hotbeds, outdoor planting, cultivation and irrigation, insect pests, and storage. Practically every variety of vegetable is covered in the book, and there is a section also dealing with small fruits.

While written primarily for the farmer, the booklet is valuable to amateur gardeners everywhere, in both town and country. Copies may be obtained by anyone, without charge, at the local office of the Bank of Montreal.

COMPETITION IS OPEN TO ALL IN FLOWER SHOW

The flower show held last year by the Ladies' Aid of the United Church was one of the most successful of its kind to be held in the district, and this year the event promises to be even more enjoyable. Many groups for adults as well as children feature the classes of exhibits and all these competitions are open to anyone in the district, the object of the show being to promote a keener interest in gardening. The ladies are hoping for a good showing at this spring flower show, and are offering very good prizes for the different competitions, which are as follows: For adults, best bowl of daffodils; three varieties; best bowl of jonquills; best display of primroses; best bowl of polyanthus; best bowl of hyacinths; best decorated table. For children, best collection of spring flowers; best bowl of wild lilies; best bowl of wild flowers, showing the greatest variety. Entries for the best decorated tea table should be sent to Mrs. Ramsay not later than April 2. This competition is open to all, and tables will be provided at the hall. The tables are to be decorated with flowers, etc., and china, but no food. During the day articles will be on sale. There will be an ice cream and candy stall, a popular home-cooking stall, a fancy-work stall well laden with many lovely and useful articles and tea will be served during the afternoon.

THE WAR MEMORIAL PARK

Our readers in the North Saanich area are no doubt aware that a drive is now on to raise \$3,000 to complete the War Memorial Park, situated on Beacon Avenue, Sidney. The trustees are unstintingly giving their best efforts to complete the program that has been mapped out. Three thousand dollars to complete this park—put in shade trees, build a grandstand, lay out playing grounds for various games, etc.—should not be hard to obtain when the benefit such an outlay stores up for the future is taken into reckoning. The five acres comprising the park are for the benefit of all citizens of North Saanich. They belong to them for all time—cannot be sold or mortgaged. They are protected by law. Is it not a wonderful thing to have the privilege of being able to say "I helped to beautify that fine park in North Saanich!" Is it not a privilege to be able to pave the way for future generations to engage in good healthy outdoor sports? When the park is laid out and the trees are planted and beautiful greens appear and a fine entrance adorns the landscape—won't you feel proud of it? When you stop to think that this park will be a perpetual monument to the brave men of this district who gave their lives in the Great War—don't you think they would rejoice, if they could but know, that they are not forgotten? Come, let us all get together and finish this undertaking! Everyone contribute something—even if it is a small amount. It is the motive behind the gift that counts. The local Bank of Montreal will be glad to receive your cheque towards this fund for the completion of the park—or you can turn your donation over to the honorary secretary of the park society. Do it now, while the theory is percolating in your brain—let us see what kind of a heart you have!

Hiking time will soon be with us again and it won't be long now till we hear of some enterprising and energetic party climbing Mount Newton in North Saanich or Mount Tuam—the big bump—over on Salt Spring.

HOME TOWN THOUGHTS

The land of opportunity is not usually some distant scene, but it is near home where you know best how to take advantage of it.

Everyone in our district can make a better product with his hands or brain, and obtain a better reward for it, if he will only study the needs of the people who use or buy his services.

There are plenty of buyers for any good article or line at fair prices, but you can't expect them to buy to any large extent unless you tell them what you have through advertising.

Miss Madge Goodacres of Victoria was the weekend guest of Miss E. Moses, Deep Cove.

Mr. and Mrs. N. Pollock and little daughter Babs, "Parson's Bridge, Victoria, were the weekend guest of Mr. B. Bryce, School Cross Road.

Mr. and Mrs. MacLeod of Paisley, Ont., were the guests during the week of Mr. R. Bryce, School Cross Road.

The regular weekly card party and social evening of the Deep Cove Social Club was held in the club rooms on Monday evening. There was a good attendance of members and friends who spent a very pleasant time at progressive 500 which was played at five tables. The ladies' prize was presented to Mrs. A. Critchley and the gentlemen's to Mr. C. Moses who won the cut from Mr. J. Copithorne. At the termination of the cards Mrs. Calvert served dainty refreshments and a social half-hour was enjoyed.

The card committee of the Deep Cove Social Club announce a military 500 drive to be held on Friday evening, April 27th, for which the ladies' prizes will be hand-embroidered articles. Full details will be given out at a later date.

The dance committee of the Deep Cove Social Club are concentrating on the annual "hard times" dance or "barn dance" which is usually staged on the third Friday in April, and which has in previous years been the most enjoyable of the season's affairs. Full details will appear next month.

BENEFITS DERIVED FROM THE "MELODY WAY" SYSTEM Through the Melody Way everyone benefits:—

The teacher benefits because new

business is secured; and children are anxious to continue their lessons once the dreaded elementary stages have been successfully mastered in a way that is interesting and pleasing to them.

The child benefits because he is introduced to the joys of music in an interesting way.

The parent benefits because good teaching is given at a low cost.

The home benefits because the home with music is a happy home.

The community benefits because the cultural level is higher and it becomes a better place in which to live.

The Canadian Pacific's Big Five

1—Map showing the five cities where the trains will leave and arrive.
2—Train crossing the bridge over the river.
3—Close-up of the engine of one of the five trains.

When the Big Five, the quintette of trains de luxe to be operated by the Canadian Pacific Railway on express schedules from the east of Canada and from Chicago this coming summer to the coast, make their initial runs, the dramatic spectacle will be presented daily of five great trains flying across the Dominion and all converging on the wonder district of the American continent, the Canadian Rockies, where snow-capped mountain peaks and beautiful valleys and lakes vie with another in attracting visitors from all parts of the United States and the rest of the world.

The key train of the quintette will be the "Trans-Canada" which with two others "The Imperial" and "The Toronto-Vancouver" ex-

presses will have their runs entirely in Canadian territory. The balance of the five, "The Mountaineer" and "The Soo-Pacific" will leave from Chicago for the Canadian Rockies and the Pacific coast and will consequently run partly through the United States. The "Trans-Canada" and the "Mountaineer" are all sleeping car trains.

The "Trans-Canada" with a reputation throughout the world covers the 2885 miles between Montreal and Vancouver in 80 hours and 16 minutes. As part of its equipment it carries an open observation car between Calgary and Kamloops. This train starts on May 12. The "Imperial" and the "Toronto-Vancouver" express operating from the coast to Montreal and Toronto

respectively are both year round trains except for modified schedule. Finally, there will be "The Mountaineer" and "The Soo-Pacific" running out of Chicago for Vancouver, B.C. The former will start its daily run to Vancouver on June 11 and the train will commence operation from the coast to Chicago on June 15. In this run ten hours will be cut off last year's figures the journey taking 73 hours as against 83 hours and fifteen minutes last year. The "Soo-Pacific" will leave Chicago on June 25 until August 30, and from July 2 until August 30 in the opposite direction. Both the latter two trains consist of all sleeping cars.

\$1.00 PER YEAR

SYNOPSIS OF LAND ACT AMENDMENTS

PRE-EMPTIONS
Vacant, unreserved, surveyed Crown lands may be pre-empted by British subjects over 18 years of age, and by aliens on declaring intention to become British subjects, conditional upon residence, occupation, and improvement for agricultural purposes.
Full information concerning regulations regarding pre-emption is given in Bulletin No. 1, Land Series, "How to Pre-empt Land," copies of which can be obtained free of charge by addressing the Department of Lands, Victoria, B.C., or any Government Agent.
Records will be granted covering only land suitable for agricultural purposes, and which is not timberland, i.e., carrying over 5,000 board feet per acre east of the Coast Range and 8,000 feet per acre west of that Range.
Applications for pre-emption are to be addressed to the Land Commissioner of the Land Recording Division in which the land applied for is situated, and are made on printed forms, copies of which can be obtained from the Land Commissioner.
Pre-emption must be occupied for five years and improvements made to the value of \$10 per acre, including clearing and cultivating at least five acres, before a Crown Grant can be received.
For more detailed information see the Bulletin, "How to Pre-empt Land."

PURCHASE
Applications are received for purchase of vacant and unreserved Crown lands, not being timber land, for agricultural purposes; minimum price of first-class (arable) land is \$5 per acre, and second-class (grazing) land \$2.50 per acre. Further information regarding purchase or lease of Crown lands is given in Bulletin No. 10, Land Series, "Purchase and Lease of Crown Lands."
Mill, factory, or industrial sites on timber land, not exceeding 40 acres, may be purchased or leased, the conditions including payment of stumpage.

HOMESITE LEASES
Unsurveyed areas, not exceeding 20 acres, may be leased as homesites, conditional upon a dwelling being erected in the first year, title being obtainable after residence and improvement conditions are fulfilled and the land has been surveyed.

LEASES
For grazing and industrial purpose areas not exceeding 640 acres may be leased by any one person or company.

GRAZING
Under the Grazing Act the Province is divided into grazing districts and the range administered under the Grazing Commissioner. Annual grazing permits are issued, based on numbers ranged, priority being given to established owners. Stockowners may form associations for range management. Permits are available for settlers, campers and travellers up to ten head.

GANGES

By Review Representative

A public meeting will be held in the Mahon Hall on Friday evening, March 23rd, at 8 o'clock, to discuss ways and means to form a golf club at Ganges.

Under the auspices of the I.O.D.E., Ganges, a rummage sale will be held in the Mahon Hall at 3 p.m., March 31st. There will be many other attractions in the way of home-cooking stalls, candy, etc. The Guides will also have a stall there. The entire proceeds from it will go towards their fund. Tea will be served throughout the afternoon.

Mrs. Price (senior) is the guest of Capt. and Mrs. George Halley, Vancouver.

Mr. Carl Seymour left Ganges on Monday for Qualicum Beach, where he will join the Singer Company.

The Women's Auxiliary will meet on Wednesday at Mrs. Oxenham's home.

Mr. Terry, the Provincial Poultry expert, and Mr. Hagar, Dominion Poultry expert, will speak in the Mahon Hall, Ganges, on Wednesday evening at 8 o'clock.

Mrs. McFadden spent Monday in Chemainus.

Mrs. Collins, Vancouver, has been visiting Mr. and Mrs. Norman Wilson, "Barnsbury," this past week.

Rev. J. W. Flinton returned home from St. Joseph's Hospital, Victoria, on Tuesday last.

There will be a choir practice on Wednesday at St. Mark's Church.

Mr. W. E. McFadden returned from Vancouver on Monday, where he has been up before the Compensation Board.

The Christian Attitude to Oriental Immigration in B.C.

(Editor's Note:—On Sunday, Feb. 26th, last, the Rev. Lees delivered the following sermon in the United Church at Sidney and many citizens hearing same were so well impressed that a number of requests were made to the Review to publish the sermon. On being advised accordingly Rev. Mr. Lees has prepared the following article for the readers of our paper.)

By REV. M. W. LEES

In dealing with this question let us do so along three lines: 1, "Some Facts;" 2, "Some Christian Principles Involved;" 3, "What Can Be Done."

This is the second installment.

2—CHRISTIAN PRINCIPLES INVOLVED

To Christian men and women, and to the Christian Church, all the problems of life, whether of the individual or of society are to be dealt with according to the principles of Jesus Christ.

This particular issue very seriously involves some of those principles, three in particular.

The Christian Religion is a Missionary Religion

It was the command of the Founder of Christianity that his followers should take his gospel and its benefits to all peoples. In obedience to that command and their desire to serve mankind they seek to carry on their missionary activities in non-Christian lands.

It is asked what is going to be the effect of Oriental exclusion on foreign missionary work in China and Japan? And how are you going to reconcile an un-Christian policy of Oriental exclusion with the principal of Christian missionary activity.

In answer let us understand that we do not regard this as an un-Christian policy as we will explain later. There is nothing to reconcile. As for its effect upon missionary success in China or Japan let us see: Christianity has already secured an introduction to and strong foothold in these lands, its converts there are staunchly loyal to its ideas, sacrifice for its cause and work to spread its benefits; its extension in these lands is becoming more and more the concern and responsibility of the native churches themselves; Christianity does not go to these lands and seek acceptance because it comes from Canada, Britain, U.S.A., or any other enlightened western land, it would stand little chance of success on those grounds; in its appeal to these people it has to stand on its own feet and recommend itself by the principles it stands for, purposes it has and benefits it can give.

Brotherhood of Man

Christianity stands for and teaches without any qualification The Brotherhood of Man, regardless of color, race or class.

How are we to reconcile the principle of brotherhood and a policy of exclusion? How can we treat them as brothers and exclude them from our country?

Let us keep in mind our problem; we have either to keep them out or get out; they cannot overrun our province and we continue to live as white citizens. Under those conditions there is nothing inconsistent

between the principle of brotherhood and the policy of exclusion. A working man with a large family struggling to keep a roof over their heads takes into his home a couple of brothers and their families, new arrivals in Canada. In course of time the situation becomes so strained that his children are being deprived of necessary food and clothing to help maintain the others, and in course of time one of these brothers actually takes away his position and liveli-

hood. Is he deficient in true brotherhood if he says there is a limit beyond which this cannot go, he cannot continue to sacrifice his children's welfare, he is a father as well as a brother.

Golden Rule

"Do unto others as you would have them do unto you" says the Golden Rule of Christianity.

Let us note that it is not just as we would "like" to be done by, but "have" them do. This involves not merely our likes but also very seriously our best judgment. Would we expect to flood whole provinces of China or Japan with white people who would eventually take away their livelihood and reduce them to practical serfdom? We would not if we were Christian; and we should not only expect them to try and prevent it, but again if we were Christian we should put no serious difficulties in the way of their preventing it. And so in that same spirit we Christians today condemn those British and American concerns who are exploiting the Chinese in China and reducing them to serfdom; approve their efforts to get rid of these exploiters, and say more strength to your elbow, we are trying to do the same with the same class ourselves.

To exclude them from our land under the circumstances is only to do what we would expect and have them do under the same circumstances, in our best Christian judgment.

NOTE — The third and last installment of this article will appear in next week's Review.

FULFORD

By Review Representative

Mrs. A. Davis returned home on Thursday after visiting with friends on Vancouver Island and the mainland.

Miss Edna Mollet went to Victoria on Tuesday and from there will go on to Vancouver where she expects to make an extended visit.

Miss Frances Cotsford returned to Victoria on Thursday after spending two weeks with her sister, Mrs. M. Gyves, at Fulford.

Mr. Eddy Reynolds paid a visit to Victoria on Thursday last.

Miss Eleanor Gropp returned to Fulford on Saturday.

The "hard times" dance on St. Patrick's Day at the Fulford Harbour Hall was a very jolly affair notwithstanding there were not as many present as usual, everyone seemed to have enjoyed themselves. Prizes were awarded to the following: Miss Ena Hamilton for the best original costume, Mr. Claude Hamilton, best (men's) original; Miss Bea Hamilton, most artistic; Miss Violet Hamilton, best ladies' comic, and Mr. T. M. Jackson for the best comic man. The following kindly acted as judges: Mrs. H. Johnson, Ganges; Miss Rangan, Ganges; Mr. W. Stewart, Beaver Point.

Salt Spring Island undoubtedly has a number of good checker players and an attempt is being made to hold a tournament on the McIntyre checker board to determine a contender for the championship of British Columbia. The McIntyre Challenge Cup—emblematic of the championship—is at present held by Mrs. G. E. McLean, Sidney, B.C. All checker players interested in a tournament for Salt Spring Island are asked to communicate with Mrs. J. T. Jackson, Fulford Harbour.
